SECTION – B

APPLICATION FORMAT

B.1 THE ASSIGNMENT

Punjab is the most populous province in Pakistan with few natural gas fields where majority of the population lives in villages. Since extension of existing network of gas supply lines towards far flung villages is excessively expensive, 59% of rural households in Punjab still have no access to natural gas for cooking. Most villagers use wood to meet their cooking needs which is resulting in de-forestation while others resort to burning dung cakes (dry manure fuel) for the purpose which adds to air pollution. Alternately villagers are turning to use of expensive gas/LPG cylinders to meet their heating and cooking needs. Hence there is need to provide a cost-effective and environmentally friendly solution for the cooking needs of villagers to improve their quality of life.

For the purpose, the Government of Punjab through Directorate of Power Projects (DOPP), Energy Department has decided to prequalify the eligible bidders/contractors through Competitive Bidding for the procurement, supply, construction, installation, testing, commissioning and O & M of the project “Development of Renewable Energy Initiatives”, where the contractor would be required to supply, install and commission 600 number of prefabricated biogas digesters having capacity of 8 cubic meters each for rural beneficiaries in Sargodha & Gujrat divisions.

B.2 GUIDELINES FOR APPLICATIONS

This Expression of Interest (EOI) serves the purpose of establishing a list of Pre-qualified Contractors that are capable of survey, size, design, procure, supply, construct and install biogas systems.

The biogas systems would be procured, constructed, installed & commissioned as a single package on National Competitive Bidding (NCB) process under PPRA Rules, 2014. **Section C** addresses the evaluation procedures for the applications.
