

Expression of Interest (EOI)

Hiring of Legal Consultancy for formulating Security Package for the Development of Waste to Energy Projects in Punjab

1. Punjab Power Development Board (PPDB), Energy Department, Government of the Punjab (GoPb) provides one window facility to private sponsors for development of power generation projects in the province of the Punjab. Power projects using Waste to Energy (WtE) technology are amongst top priorities of PPDB, Energy Department, GoPb in view of their huge environment benefits and scientific disposal of Municipal Solid Waste (MSW).
2. PPDB intends to develop WtE projects in Punjab, including Lahore, through private sector investment for dedicated sale of electricity to public bulk consumer(s) in Punjab. In this context, PPDB invites Expressions of Interest (EOI) from eligible Legal Consulting Firms for formulating **Security Package** for above purpose.
3. Eligible Consulting Firms can obtain detailed Request for Proposal (RFP) for the preparation of Security Package which are available in the office of PPDB. Sealed and completed proposals in accordance with the requirement of the RFP must be received at below address on or before PST 14:30 hours on **May 23, 2024** that shall be opened on the same date at PST 15:00 hours.
4. For obtaining any further information or clarifications, please contact at
